ABOUT MOD-PAC CORP.

MOD-PAC CORP. is a high value-added, on demand print services firm operating a unique low-cost business model. MOD-PAC leverages its capabilities to innovate and aggressively integrate technology into its marketing, order in-take and production operations to provide economically-priced, short run, on demand, full-color commercial and folding carton print products and services. MOD-PAC also offers data management and direct mail and fulfillment service capabilities. MOD-PAC, through its large, centralized facility, has captured significant economies of scale by channeling large numbers of small-to-medium-sized print orders through its operations.

MOD-PAC's key differentiator is its success at being a just-in-time producer of short-run, quality on demand print products. Through its lean manufacturing processes coupled with state-of-the-art printing technologies, MOD-PAC is able to address short-run, highly variable content needs of its customers with short turn around times relative to industry standards. MOD-PAC's strategy is to expand its market share by leveraging its capabilities and expanding its service offering to capture a greater share of the print value chain to meet the growing customized needs of its customers.
